

IMPORTANT RECALL NOTICE

ONE WORLD TECHNOLOGIES, INC RECALLS RYOBI 8 AMP JET FAN LEAF BLOWER

The fan inside the blower can break causing the fan blades to be discharged from either end of the blower tube posing a laceration hazard.

Sold Exclusively at Home Depot Stores and online at www.homedepot.com between December 2015 and December 2016 for about \$40.

Only blowers bearing model number RY42102 and a serial number between EU15401D170001 and EU16239N999999 are included in the recall.

Consumers should *immediately* discontinue use of their blower and contact One World Technologies, Inc. Customer Service for a free replacement.

If you have any questions or require additional information, please contact One World Technologies, Inc. Customer Service at [1-800-860-4050](tel:1-800-860-4050) or visit www.ryobitools.com

In cooperation with the U. S. Consumer Product Safety Commission
