

SAFETY RECALL

Connected by TCP® 5" and 6" Downlights for Recessed Cans

The lamps can pose a risk of electric shock.

The affected lamps bear model number CD611LCF and date code 1424217 or 1441217; or model number CD611LCDLF and date code 1424217. The affected lamps were sold between June 2014 and June 2015.

Consumers should not touch the lamp while it is powered.

To receive a free replacement lamp call 1-800-397-2864 Monday through Friday 8am to 6pm ET, email connected@tcpi.com, or go to www.tcpi.com and click on "Recall."

Post until January 6, 2016. In conjunction with Health Canada.
