Hazard identified

The recalled products do not meet the labelling requirements for consumer chemical products required by the *Consumer Chemical and Containers Regulations, 2001*, under the *Canada Consumer Product Safety Act*.

The Interbuild Hardwax Natural Wood Oil Stain products lack the required precautionary labelling required for products that could spontaneously combust under reasonably foreseeable conditions of use. Products identified as spontaneously combustible may cause rags and cloths used with the product to burn on their own. The lack of appropriate labelling information could result in unintentional exposure to the product and lead to serious illness, injury or death.

As of March 1, 2021, the company has received no reports of incidents or injuries in Canada.

Number sold

The company reported that 9,042 units of the affected products were sold in Canada.
