The recalled product does not meet the labelling requirements or the child-resistant packaging requirements of the Consumer Chemicals and Containers Regulations, 2001 under the Canada Consumer Product Safety Act. The lack of child-resistant packaging and appropriate labelling information could result in unintentional exposure to the product and lead to serious illness or injury, including death.

As of January 13, 2021, the company has received no reports of incidents or injuries in Canada.

What To Do

- Consumers should stop using product, keep out of the reach of children, and either: return product to the original place of purchase with proof of purchase to obtain a refund or safely dispose of the product in accordance with local municipal hazardous waste requirements.
- For more information, consumers may contact Henkel Canada Corporation at 1-800-624-7767, Monday to Friday 9 am to 4 pm EST, or by email at www.pro.products@adhesives.henkel.com, or by visiting www.lepage.ca.

Canada Consumer Product Safety Act prohibits recalled products from being redistributed, sold or even given away in Canada.
